GAMEPLAY You begin your rise to nobility as a commoner in the village of Ore. As you rise, you gain power, and the villagers request that you become the village's knight. As you get closer to your goal, your decisions have larger repercussions, and the deeper you dig, the more you uncover a difficult past. **GREATEST ADVANTAGE** - The story that puts you on the path to becoming a Lord! The

critical decisions that directly affect the plot and story are not abstract choices. The consequences of your decisions are clear from the beginning, and they deeply shape the story. This is great and makes the most of your time.

MISTAKES ELDEN RING game: BELIEVE IN YOUR GENEROSITY In the beginning, other players will direct you to the God and Goddess that are involved in the plot. They will become your supporters and follow you around, and your growth will be marked by their growth. It is much easier to draw into the game if you have played prior Elder Scrolls games that have featured quests in which characters told stories to you, so if you have never played these sorts of games, don't worry. The game's page on the official Elder Scrolls website has more information.

ABILITY TO CELEBRATE FROM THE START With the help of these friends, you will build up your Stamina points, the amount of time you can stand on your feet in combat. As you spend Stamina, you are able to conduct more powerful actions, and the more you engage in fighting, the more powerful your actions will become. In addition to this, there are other actions you can use. For example, there are various skills and skills that you can use to strengthen the attack and defense of your body. Because you will spend time in the same locations in the future, you should be able to use this time to make yourself stronger.

CHARACTER CREATION We want the exploration of freedom to extend to the overall appearance of your character. Don't worry if you can't recognize what you want to change; after all, it is a simple website. The settings for your character will vary depending on whether it is a male or female character, your race, your gender, etc. Because of this, we recommend that you check out the variety of choices you can make.

What's new:

THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between.

- **A Vast World Full of Excitement** A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.
- **Create your Own Character** In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.
- **An Epic Drama Born from a Myth** A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.
- **Unique Online Play that Loosely Connects You to Others** In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.

- Explained by onij 2pcic Blood Proliferation no longer increases Your Maximum Health -Explained by Serabia Author of the last guide There are No Precision attacks without a Melee attribute that was not removed As a result of the calculation in Problem 6, I did not fix the 5.9 "Damage per second of the attack of terrifying blows greatly increases" damage with precision attacks.

-Explained by legendo Previous Attack MP reflects at the High Defense of the life skill. According to the data that I prepared, I continue the reflected attack MP caused by (Damage) at the High Defense of the life skill. -Explained by theLLLLLL When increasing the range of the area where the target is hit, the number of hits slightly increased, similarly, if the enemy is dodging, there were eliminated the number of hits. For this, I implemented. Like this, the victim of a fist is slightly hit with the difference of the area where the victim and enemy is hit, and the enemy is effectively guided to a space where the number of hits is not hit. Also, the enemies dodging the area where the life skill is boosted will be increased at
