We wanted to celebrate FIFA's milestone 20th anniversary with a collection of exclusive content for all the fans of soccer in the world. This week, all of these FIFA 20 features will be available on Xbox Game Pass Ultimate for a limited time. FIFA 20 features include: All-new Player DNA All-new AI "HyperMotion Technology" FIFA Ultimate Team A new Club Experience FIFA 20 will be available this holiday on Xbox One, PC, and PlayStation 4. Note: This content is currently exclusive to Xbox Game Pass Ultimate members. To learn more, you can read our FAQ on Game Pass Ultimate. FIFA 20 Features All-new Player DNA Player DNA has been enhanced in FIFA 20 with a multitude of new features, including: New in-game physics system for AI-controlled defenders 4 new contextual prompts, for more flexibility and choices for players Improved resource management system for AI coaches Improved AI performance Comprehensive location coverage for in-game player and crowd data New effects for in-game gestures like "cutbacks" New Personal Style FIFA 20 has a new Personal Style feature, where you can customize your personal stats. This allows you to set the percentages of positions in which you desire to improve over 10 years. For example, if you go into the Nutrition department, you can set the percentages of Demolition Tackling to 15%, Midfield Tackling to 15% and Defensive Midfield to 60%. You then enter these values, and your player's profile will change accordingly. New Customization The new Customization feature lets you adjust the attacking and defending tactics in your team over 10 years. You can change the position, kit template, character, and everything else about the player. Create a new template, and you can also adjust the stats yourself. New Playing Styles The new Playing Styles feature in FIFA 20 allows you to set your preferred style of play, with new dribbling and passing styles, new playing tactics, and improved ball physics. You can set your ideal playing style in game, and adjust anything about the style, right down to the way your players move around when they are fouled. Story Details FIFA 20 has seven new story details that take place during the creation of a player

Features Key:

- Become the next great soccer manager.
- Experience all the passion and drama of the FIFA World Cup™.
- Become a Pro and compete in the FIFA Career Mode to hone your skills on the pitch.
- Be one of the champions of Team of the Year 2017 and challenge your skills in the new online Seasons Mode.

FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay.

GAME MODES

Career Mode - Live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey through the game. FIFA Ultimate Team - Live out your dreams as both a manager and a player in FIFA 22. With new technology, discover a deeper variety of players, as 11 new Ultimate Tactics cards offer plenty of opportunities for your custom journey through the game. Ultimate Team also introduces a new Player Card Design Tool, in which you can create your own cards through the editor, simulate and preview your custom images in-game, and keep your favourites as your collection grows.
