Psychonauts 2 (Original Soundtrack), Vol. 2

[Download Setup + Crack](#)

Eliza is a visual novel that takes the form of a choose-your-own-adventure-style interactive text adventure game. During the course of play, the player will read and respond to short messages, eventually advancing the story through discrete branches and multiple endings. Gameplay Overview: The text of the game consists of a series of questions and responses, which must be submitted in order for the player to advance the story. There are five "choices," or outcomes, each with their own set of questions and responses, but only one of them will be resolved each time a new part of the story is revealed. The first choice is where Evelyn meets Eliza, but rather than making a decision directly, the player will instead be guided through an introductory section where she gets to know the basics of the client-proxy relationship, Eliza herself, and a community of users who use her platform. Upon making this decision, the player will be able to read and respond to a range of sub-questions, and different responses will lead to alternate results within

Evelyn's story and the game's overall resolution. Subsequent choices are made in chronological order and usually refer back to previous choices. Each choice opens up a new section of story, with new questions and responses. Evelyn must carefully pick and choose her responses and weigh all options before submitting the final response, in the order they appear. Eliza is a standalone story, and does not require the original Eliza game to play. (view larger version) Key Features: Choose-Your-Own-Story - Throughout the story, the player will make decisions and choices that affect the outcome, and will be guided through the story by Eliza's responses to questions, as the protagonist, Evelyn, tries to come to terms with her life and her purposes. Counseling the Counselled - The player's response to Eliza's questions and statements will affect the game's resolution by setting the conditions, or evoking a response, for the branch of Evelyn's story that will be unfolded. Choice & Consequence - Unlike many visual novels, a "wrong" choice will not lead to an automatic game over and result in the player being forced to play the entire game through again. Rather, the consequences of each choice are realized gradually as the player reads through the branches. Real-Time & Retroactive

Stories - The narrative

Features Key:

What's new:

Finally! We have the promised soundtrack release of "Psychonauts 2". Below you'll find two albums — Vol. 1 and Vol. 2 — that will let you revisit and enjoy the music of this very entertaining pop-psych themed game. Throughout each volume, you'll find a selection of songs that will play when the game is paused. Volume One 1. The Light Machine – The Red Fox 2. All Work & No Play – Stomp Bush 3. The Shutterbug – The Dish 4. Cognitive Transfer – The Parlor Reels 5. Awakening – The President 6. Music Box – The Bird 7. Professor Wendy's Dream – The Girl 8. Trash For Brains – Radio Spot 9. A Clockwork Dream – The Clock Man 10. Down Here – The Believer 11. The Cosmic Moondagger – EPILOGUE Volume Two 1. The Tremendous (The Crawlers) – The Crawlers 2. Mind's Eye – The Paradigmatic 3. Inside The Orange – The Carpenters 4. Back On The Planet – The Plant 5. New Cordelia – The Triptykon 6. Continue On – City Mouse 7. The Infinite – The Tooth 8. Juliette's Testimony – Dr. Sendowski 9. House Fly Away – Jumbo 10. The Caveman – Dr. Waterman 11. Jones One – Chief Wiggum (an internet friend sent me this clip) Thank you to Jacob Renstrom for posting this project! Let me know if I have any mistakes or typos below and I'll go back and correct them. A gift made by husband Junpei Sasahara to his wife for Valentine's Day 20 years ago. Born and raised in Texas, Junpei was a supportive husband and father to his wife and daughter, Dana, before he passed away. Dana remembers her Dad the best. Photo is 4 years old. Click the musicbox when the game is stopped in order to hear it from your save point. (Press X to skip) Luke Eliopolous of the band The Dish is also listed as "voice of the president" on the CD and DVD box art (upper
