Apart from the main dive site, there are 7 other sites, which are ideal for novice divers or ones with a limited budget. The dive sites are called as Nigiri Island, Amakusa Island, Makasu Island, Sobu Island, Iwakuni, Umi No Saki, and the Kanto Kai. All of the sites except for the Amakusa Island have been affected by climate change, many fish species are currently missing in the Amakusa Island. There are many fish species still present in this island. The site Nigiri Island is not suitable for novice divers. There are coral beds and big giant clam beds present. - With the aid of a local guide, explore the sites around the port of Izumo where Izumo Uchiko is located. Take a stab at these.
