A: Open a command prompt and then enter the following: cd %programfiles%\autocad If prompted, enter your password. Now enter the following command (with no parameters, if prompted with any, enter an empty string): flibs\ad2012\sta4cad Press enter. If prompted again, enter yes to the prompt. This will install the crack for STA4-CAD (stau4cad.exe). If you want to use the autoit version, change the command to: flibs\autocad\stau4cad and the.exe version to: flibs\autocad\stau4cad.exe I would suggest renaming the stau4cad.exe file to sta4cad.exe, but you can leave it as it is. After making the changes above, double-click on the sta4cad.exe file to start up the program. Follow the instructions in the help file to install your copy. As you can see, the name of the installation is slightly different for each version of AutoCAD.
