Does anyone know how to earn robux without paying any membership fees or providing any personal information? I'm trying to get robux on my account and can't afford to pay for a membership. I'd like to play the game as much as I can, but I don't want the robux. It takes long hours of playtime to earn, and the only ways to do it are to play or deposit real money. I'd be open to using bots on occasion if they wouldn't cause me trouble. I would prefer a combination of bots and legit play to get robux on my account. If anyone can help me out, that'd be amazing. I would greatly appreciate it. Your best bet for these is to sign up with a working robux maker. Every one seems to have ways of not forgetting to log in, and then paying them to log in. However, some go a step further and make login, log-in a plugin, and then wait for the player to install it. The easiest way to get robux is just to deposit money into your account. Both the big online games and many individual websites have a system that a person can claim to use to generate free robux. The website owners know the program, and so they are obligated to pay you the free robux. The reason this is not popular is because it does not allow you to claim it, or to invite other people to claim it, and so people avoid it. These programs use a combination of bots and tools. Bot creators typically have different bots for different things. You need to find one that gets you most robux. The other bot creators are usually up to the same programs, but they get a varying amount of robux. You have to let them know what you want, and then wait for them to build it. By the way, you do not have to be logged into robux to generate them. You can generate without logging in, and then open an account as soon as you login to robux. In the first post, there are a couple that might answer your question, and at least indicate free robux. There is a good site that will help you generate robux. The site will take you through the different bots, and then tell you which one will generate you the most robux. It will also give you more info than just that, and give you the other bots. You can also play robot games. These are
