Latest PC Games Get ready to fight the return of the survival horror title "Nightmare Game" and its' cool-looking protagonist / horror mascot, "The Diabolical" in this spectacular horror adventure through a twisted psychological nightmare! As daytime transforms into night time, the undead begin to once again roam the streets of the city; you must fight your way through hordes of flesh-hungry ghouls as you try to escape - a place where the living are no longer safe. After suffering great loss the inhabitants of the city of Altausia celebrate their freedom from tyranny with a freedom parade. While the festivities go on, refugees from the battlefield bring horror to the celebration as the necromancers they once served continue to rise from the dead to menace once more. Soar through the skies with your super-jet and save the world from destruction! As a result of the machinations of a shadow organization known as MAD, the world's governments have been rendered helpless as a catastrophe threatens the planet. HID is on a mission to halt MAD's plan to cause mass destruction and destruction of all human life. The final battle is fast approaching and the odds are stacked against you.
